

22 July 2008

Dear FCC:

I am filing this comment in support of the Sprint/Nextel-Clearwire merger. I believe that the merger will be in the best interests of the country, as it will enhance the ability to roll out a consistent product over a larger footprint. I also believe that this technology will be faster, more robust, and better overall than current technologies.

Sincerely yours,

Patrick J. Burns

VP for IT and Interim Dean of Libraries

Colorado State University
